Course Description: Class: Required, 1 Credit, no prerequisites

The contents of this syllabus are subject to change

Applied Computer Technology is a required one credit, two-semester course with the purpose to help freshmen acquire basic computer skills for their university studies. This course involves a hands-on approach to learning the concepts of word processing, networks & telecommunication (Fall, 2008), homepage design, electronic spreadsheet, and electronic presentation (Spring, 2009).

* Grading Policy:

4 major assignments 100%

Attendance (each unexcused absence is 3% of final grade off)

3 unexcused absences means a failure

*Attendance and Punctuality

Please come to class each time and on time. This is respect to yourself and your classmates. Each unexcused absence will result a 3% deduction from the final grade. If you are or will be absent for medical or personal reasons, please inform me in advance and show evidence (e.g. medical excuse notes). According to the university regulation, more than two unexcused absences or six excused absences result a failed grade for the course. I will provide a sign-in sheet for you to sign your name. Please do not sign for other people. I will be checking the handwritings.

*Plagiarism

Plagiarism is forbidden. You must obey the principles of academic integrity. Please respect other people's work. If you quote or refer to certain people's work, remember to give credit to the author(s). A plagiarized product will result in a 0% of your assignment.
