2012/8/1

Dear Teachers: These tables will be helpful for students to know clearly what you've taught when doing course evaluation. It will also help the department find out if our PKS has been properly covered by our courses. Thank you for helping!!!

- 1) Please fill in related course objectives next to those PKS that are covered by your course, and delete those not covered.
- 2) Please then check those that are assessed. (It is suggested that you "assess" those PKS's you chose as "directly related.")
